For Christian I promised my mom I would never put Christian in a home. The townhouse @ 12442 Berkeley Sq Dr. is left for him Kelly Alvarez his new waiver support coord. U can look at my phone for Leigh's # & for him name be accessed through the Ragusa's children's trust thru Wachovia. When dad passes, advise him that all \$ should be left in that. In terms of medical powers of attorney, please advise doctors I want a DNR (do not resuscitate) & no heroic measures to save my life. For a funeral, I want it just like my mom's - candle-lit w/ red roses ^{flowers} on top I want to be cremated & a teaspoon of my ashes thrown in the gulf of Mexico & at the Roman Forum in Italy. All my material possessions are to be divided into Christian's trust (you make take what u want.) Please try to make friends/bond with Christian. He likes to eat, going out 7 per week. He likes music & movies. (Needs him current) & make sure he has nice clothes. Also, speak with his behavior specialist, Jason Wallace (A&P solution) I trust u to carry out these last wishes.
